PARTS MANUAL

Version: V02

Truck Identification Number From:

Parts Manual

PSE15L-C2-PM02EN

Please order spare parts from authorized dealers of our company.

In order to avoid wrong shipping, all the orders of parts should be marked with the following items:

- Truck model, manufacturing number and year of manufacture.
- When ordering spare parts for mast, hydraulic parts, steer bridge and motor, the manufacturing number shall be noted.
- Codes for our company spare parts are shown in the table of parts manual. Please also pay attention to the mark of supply status and order quantity, etc. (the number listed in "Mark" column of the spare parts list).

"Mark" column:

The unmarked number indicates the lead time for these parts is short.

Number 1: Supply as package. Indicating that supply the small parts or sealing parts as packages, with its minimum quantity for each package, the lead time for these spare parts is short.

Number 2: Supply with limit. Indicating that these parts are not in stock and will be prepared for production after receiving the order from the customer. The lead time may be long.

Number 3: Phasing out supply. Indicating that due to technical improvements, these parts are replaced by new parts and will not be supplied after current stock run out. Please check the corresponding explanations.

Number 4: Supply as assembly. Indicating that these parts are assembly parts specified by the manufacturing process, which cannot be supplied as single part.

Number 5: Check other lists.

This parts manual is the property of our company and can be shared under the confidential agreement only, our company has the right to claim for compensation of any unauthorized use. Copy without permission is not allowed. Figures in the manual are not limited by the original design. our company reserves the right to improve the products for continuous technology progress.
