254198501003 制动器总成(KD)/Brake assembly (AQ)
--

This technical drawing is an exploded view of a vehicle wheel assembly, showing the relationship between various components. The main assembly consists of a wheel rim (1) and a hub (2). The hub is shown with a central axle (2) and a series of mounting points (3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19) for the brake system. The brake system includes a brake disc (20) and a brake caliper (21). The caliper is mounted on a bracket (22) which is attached to the hub. The brake disc is mounted on the axle. The brake pads (23, 24) are shown in their resting position. The brake disc is also shown with a series of mounting points (25, 26, 27) for the brake system. The diagram is a line drawing with no shading.

A technical line drawing of a side panel assembly. The drawing shows a rectangular panel with a curved top edge and a central rectangular cutout. Eight numbered callouts (1-8) point to specific components: 1 points to a small bracket on the left edge; 2 points to a screw on the left edge; 3 points to a screw on the left edge; 4 points to a screw on the left edge; 5 points to the main panel body; 6 points to a screw on the right edge; 7 points to a screw on the right edge; 8 points to a magnet on the right edge.

252198501028 后视镜安装/Rearview mirror installation

An exploded view diagram of a rearview mirror assembly. The diagram shows a mirror housing (5) with a mounting bracket (6) attached to its back. A bolt (4) is shown passing through the bracket and housing, secured by a washer (2) and a nut (1). Another washer (3) is shown between the bracket and the housing. The entire assembly is shown being mounted onto a vehicle's interior trim piece, which has a pre-drilled hole for the bracket.

This diagram shows an exploded view of a multi-channel relay assembly. The components are numbered as follows:

- 1: Base plate with mounting holes.
- 2: Small circular components (possibly LEDs or indicators) mounted on the base.
- 3: Small rectangular components (possibly relays or sensors) mounted on the base.
- 4: A larger rectangular component (possibly a relay or sensor) mounted on the base.
- 5: A component with multiple pins (possibly a connector or sensor) mounted on the base.
- 6: A component with multiple pins (possibly a connector or sensor) mounted on the base.
- 7: A component with multiple pins (possibly a connector or sensor) mounted on the base.
- 8: A component with multiple pins (possibly a connector or sensor) mounted on the base.
- 9: A component with multiple pins (possibly a connector or sensor) mounted on the base.
- 10: A component with multiple pins (possibly a connector or sensor) mounted on the base.
- 11: A component with multiple pins (possibly a connector or sensor) mounted on the base.
- 12: A component with multiple pins (possibly a connector or sensor) mounted on the base.
- 13: A component with multiple pins (possibly a connector or sensor) mounted on the base.
